## ULTRALIFE CORPORATION APPOINTS TECTONICA AS VALUE ADDED DISTRIBUTOR FOR DEFENCE PRODUCTS

Tectonica Australia Pty Ltd is proud to announce it has been appointed as a value added distributor for Ultralife Corporation, military batteries. Under the agreement Tectonica will provide sales, support services and custom battery solutions for Ultralife's military batteries in Australia and New Zealand.

Tectonica's appointment will ensure that that the Australian Defence Force and OEM manufacturers can deploy and sustain the latest military power solutions.

Ultralife markets a wide range of high performance non-rechargeable and rechargeable ruggedised batteries for Defence applications.

Miles Partridge, Tectonica Managing Director said, "Ultralife is a global leader in power solutions. Tectonica has a proven ability to provide innovative power engineering solutions, in-country systems integration and sustainment. In partnership with Ultralife, we will deliver on our commitment to enhance the capability of the Australian Defence Force."

### About Tectonica Australia

Tectonica Australia is a leading Defence and Security systems integrator. Since 2002, Tectonica has developed fully integrated systems for armoured vehicles, ground stations and soldiers.

In partnership with local and international organisations, Tectonica offers a comprehensive range of Defence and Security solutions in the areas of Protected Navigation, Portable Power, Force Protection and Crew Survivability.
