## **TECTONICA VISITED BY THE HONOURABLE JASON CLARE MP, MINISTER FOR DEFENCE MATERIEL**

Tectonica Australia recently hosted The Honourable Jason Clare MP, Minister for Defence Materiel on 27th May 2011. Minister Clare toured Tectonica's West Melbourne facility and was briefed on Tectonica's recent and emerging projects.

On display was Tectonica's innovative Ceramic Membrane Oxygen Generator (CMOG) which produces medical grade oxygen from ambient air without the use of oxygen concentrators or scrubbers. Minister Clare congratulated Tectonica's staff on their achievement and emphasised the importance of Small to Medium Enterprises' involvement in supporting Australia's Defence Force.

The Minister also toured Tectonica's production facility as it gears up to deliver 350 GPS Redundancy Systems for the Australian Army. Australian designed and manufactured, the GPS Redundancy system is an excellent example of Australian Industry providing cost-effective capability that directly supports our combat forces.

### **About Tectonica Australia**

Tectonica Australia is a leading Defence and Security systems integrator. Since 2002, Tectonica has developed fully integrated systems for armoured vehicles, ground stations and soldiers.

In partnership with local and international organisations, Tectonica offers a comprehensive range of Defence and Security solutions in the areas of Protected Navigation, Portable Power, Force Protection and Crew Survivability.
