TECTONICA ANNOUNCED AS A SUPPLIER UNDER THE TECHNOLOGY VOUCHER PROGRAM

Tectonica is pleased to announce it has been selected as a supplier under the Victorian Government's Technology Voucher Program, Development and Implementation streams.

The program aims to assist Victorian companies to implement and develop new technologies that improve their competitiveness locally and internationally. Companies can now use the vouchers to secure Tectonica's support in areas such as technology design and development, technical advice, process improvement and automation.

Voucher recipients are able to employ Tectonica's expertise in product design, systems integration and software development. Miles Partridge, Tectonica Managing Director said, "We look forward to assisting local companies in product commercialisation, automated and advanced manufacturing techniques and non-destructive testing. Tectonica has a wide-range of experience from developing integrated Defence systems to developing iOS and Android applications."

More information on the Technology Voucher Program can be found by visiting www.business.vic.gov.au/tvp.
