TEAM TECTONICA IS RUNNING MELBOURNE

Tectonica employees have entered The Age Run Melbourne as Team Tectonica. With entrants ranging from 22 to 60 years old, competing in each of the 5km, 10km and Half Marathon events, Team Tectonica is participating to raise funds for Legacy.

The team aims to raise a \$1,000 for Legacy, a charity “providing services to Australian families suffering financially and socially after the incapacitation or death of a spouse or parent, during or after their defence force service”.

Miles Partridge, Managing Director says, “There’s a mix of fear and excitement in the office, with people training for their different events. It’s great to see people getting involved for such a great cause.”

Tectonica would like to wish the entrants the best of luck on race day. The Age Run Melbourne will be held on Sunday 21st July.

Tectonica’s participants will continue to raise funds up to the event. Donations are most welcome and can be made at <http://runmelbourne.everydayhero.com.au/tectonica>.
