TECTONICA APPOINTED AUTHORISED RESELLER OF GETAC MILITARY COMPUTERS

Tectonica Australia is pleased to announce it has been appointed by Synnex Australia as an authorised reseller of Getac military rugged computers.

All Getac products utilise state of the art technologies and comply with military standards including MIL-STD 810G and 461F. Getac offers a wide-range of computing options from the latest rugged Android tablet to a fully rugged high performance notebook.

This appointment compliments Tectonica's software development services for mobile and tablet platforms including the development of Android and iOS applications. It forms a key part of Tectonica's commitment to provide the best quality of Military-Off-The-Shelf solutions to the people who need it most.

Miles Partridge, Tectonica Managing Director said, "We are excited to bring this high standard of computing to the Australian military. Getac provide an unparalleled level of computing options. In combination with our other partners, we are strengthening our commitment to provide the best in high technology integrated systems, giving Australian Soldiers the edge."
